Dear Lakes Residents,

The board has worked to establish a mailbox specification sheet for owners to follow. In order for LAKES to achieve our goal of assisting residents as to mailbox repair/replacement, the board of directors has created a specification sheet for residents to make it easier to bring the mailboxes into compliance. Please see below.

The mailbox is the medium, galvanized, steel post mount mailbox (BRONZE). Board President, Tom Harriman has mailboxes on hand. Please contact Tom or Sunstate to purchase or you can order a box directly from the website listed below:

The paint colors are on file with Sherwin Williams. Board President, Tom Harriman, also has brown post paint and blue trim paint on hand.

The posts can be purchased from LAKES directly. Please contact Sunstate Management for details- Nicole@sunstatemanagement.com / 941-870-4920 office
