February-April 2023

It was wonderful to see so many people at the Trolley Night. Your social committee is taking your feedback into consideration and planning ways to make this event even better next year. After looking at the Sarasota Public School calendar and holidays, we are targeting December 16th or 17th for this year's Trolley night.

What a great turn out to the January Food Truck. Kudos to our planning team. They work hard to make this event happen. *If you'd like to assist, please let us know!*

Let's keep the fun building. To the right you'll see a summary of upcoming events. Currently, all are scheduled for the Clubhouse. Add them to your calendar and watch for updates in the [Lakes Facebook page](#). You'll find details about the events on the next page. So keep reading!
